18% service charge has been added to your bill & will be distributed to the service staff. If you wish to write in an additional amount, please do so as an optional gratuity where included.

*Consuming raw or undercooked egg, meat or seafood may increase your risk for food-borne illnesses. There is risk associated with consuming raw oysters. If you have chronic illness of the liver, stomach or blood or have immune disorders, you are at greater risk of serious illness from raw oysters, and should eat oysters fully cooked. If unsure of your risk, consult a physician.
